

DE FACTO DECIMATE VILLISTA BAND IN NORTH CHIHUAHUA

Bandits, Outnumbered, Flee After Siege of Four Hours, Leaving Major and Others on the Field.

(By Review Leased Wire) CHIHUAHUA CITY, Sept. 13.—Constitutional forces under Colonel Chapa encountered and routed in the Laguna district a Villista band which left in its flight seven dead and a number of horses, according to reports received here today from General Jose Santos. The bandits, headed by Elizardo Reyes, were attacked near San Pedro de las Colonias, and the report says they held their ground for nearly four hours. Among the dead was a Villista major. A Villista named Mendez, engaged in propaganda work at Piedra Blanca, has been arrested by order of General Novoa. Villista is still in the Santa Clara district but is carefully avoiding a fight, according to the latest information received here by General Trevino. Persons in that section who say they have seen Villista, claim that the band leader's condition has been made worse by exposure to wet weather and constant traveling.

Marshall Ready For Notification Ceremony Today

(By Review Leased Wire) INDIANAPOLIS, Sept. 13.—Vice President Thomas R. Marshall returned here today from Missouri in readiness for the ceremony at Tomlinson Hall tomorrow night at which he will be notified formally of his renomination for vice president by the Democratic convention at St. Louis last June. The vice president who was accompanied by his wife, was met at the station by a reception committee of 25 local Democrats. The event is expected to bring together a large number of the Democratic national leaders. Martin H. Glynn, former governor of New York who will deliver the notification speech, plans to arrive at noon tomorrow with Chance McCormick. During the day the national leaders are expected to hold important political conferences.

PRESIDENT MAY VISIT NEW MEXICO EARLY NEXT MONTH

Hopes to Attend Opening of Big Dam—Democrats Are Spurred Up Since Maine Returned to G. O. P.

(By Review Leased Wire) LONG BRANCH, N. J., Sept. 13.—President Wilson returned here today from the bedside of his sister, Mrs. Anne E. Howe, critically ill at New London, Conn. The President found requests for engagements from many political leaders but he arranged for none. He had heard that Mrs. Howe can hardly live another week and is holding himself in readiness to return to New London. Postmaster General Burleson and Secretary of the Treasury McAdoo called at the executive office late today but neither saw Mr. Wilson. Plans for the President to speak in St. Louis September 20 and in Baltimore September 24 and to go to New Mexico to open a dam early in October are being held in abeyance pending the outcome of Mrs. Howe's illness. Homer Cummings, chairman of the speakers' bureau of the national committee, probably will see Mr. Wilson Monday to discuss these and other invitations. There were evidences here today that the Republican victory in Maine has led Democratic leaders to work more diligently in other parts of the country. Administration officials here said they expected no other result but they realize that they have work ahead of them.

Hughes Preparing For Second Trip Into Middle West

(By Review Leased Wire) BRIDGEHAMPTON, N. Y., Sept. 13.—Charles E. Hughes arrived at his summer home tonight for a four days' rest from campaign activities. He will leave New York Monday on his second trip, which will take him through the middle west. Residents of Bridgehampton welcome the Republican nominee at the station. Mr. Hughes went immediately to his summer home. The nominee had a lengthy conference with Wm. R. Wilcox, the national chairman before he left New York.

Mining and Financial News

BY REVIEW LEASED WIRE

NEW YORK, Sept. 13.—Trading again was extremely active and broad today. Total sales amounted to 1,280,000 shares, making the seventh consecutive session in which dealings have run into seven figures. United States Steel and motors and rails furnished a large percentage of the output. The movement in rails and other investments was the most noteworthy of recent weeks.

Further meteoric advances were registered by some of the high priced specialties. Bethlehem Steel gained 4 3/4 points. The new high records were registered by Republic Iron and Steel at 88 1/8 and 83. U. S. Steel was plainly under the influence of further realizing, ranging between 101 and 105 1/2 within a quarter point or its maximum, scored the previous day and closing at 105 1/4, a net gain of 3/4 of a point. Baldwin and American Locomotives, which were rushed forward in the final hour with Crucible, made gains of two and six points, with two to four points in other war descriptions, including U. S. Industrial Alcohol.

Gross gains of almost six points were scored by Maxwell and Studebaker. Mexicans, sugars and leather issues helped to swell the rising tide, but the paper group again was susceptible to profit taking at one to four point recessions. The bond market lacked special feature. Total sales, par value, \$3,270,000. U. S. bonds were unchanged on call.

METALS MARKET. NEW YORK, Sept. 13.—The metal exchange quotes lead 6.70 @ 6.85. Spelter firm, spot East St. Louis delivery, 9. Copper steady; electrolytic 27 @ 28.25. Bar silver 68.

(By L. J. Overlock) BOSTON, Sept. 13.—There was more attraction in the local market today than for some time past. Arizona Commercial and Shannon were well bought all day. The market for these coppers is favorable and broadening and look to see a big speculation in them very soon. Buy them for they are just commencing to go up.

The New York market was very buoyant, more especially in industrials. Stocks have gone up rather fast in that market and reactions of a point or two would not be out of the way. We are still in a big bull market.
